REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilmanton:

I herewith submit my annual report as superintendent of schools. It so happens that this is the fifth such report that I have made to the citizens of Gilmanton, but the fourth was made fifteen years ago. Reducing the number of superintendents in the state made it necessary for the State Board of Education to re-organize many of the school supervisory unions. For fifteen years Gilmanton was a part of the Pittsfield Union. It is now a part of the Tilton-Northfield Union, which comprises Tilton-Northfield, Belmont, Gilford, and Gilmanton.

As I have been connected with your schools for a half year only there is good reason for this report being brief.

Statistics

Expenditures

Teachers	\$6,260.00	\$5,505.00
All purposes	\$12,085.22	\$10,850.54

The above table gives certain statistics for the year ending June 30, 1933, and for the previous year. This form makes a comparison easy.

Promotions and Graduation

One hundred and eighteen pupils were promoted to the next higher grade in June, 1933. Only three pupils failed of promotion.

Graduation exercises for the pupils completing the eighth grade in all the schools were held at the Academy Hall on June 15, 1933. This perhaps was the first time all the schools had been brought together for such a purpose. The children had a large part in the program. An address was delivered by Prof. C. H. Page. Diplomas were presented to the graduates by Superintendent Badger. The class roll was as follows:

Olive Burres	Evelyn Page
Louis Cota	Wanda Shlaitas
Virginia Davis	Sybil Wells
Charles Edgerly	Arthur Willard
Sadie Hudson	Pauline French

Roll of Honor

Twelve pupils made a fine record in attendance the last school year. These children are to be congratulated for their good health and perseverance. The following are entitled to this honor:

Iron Works:

Constance Davis	Thomas Edwards
Virginia Davis	Vera Edwards
William Davis	John Foss

Sanborn:

Frank Martin	Richard
--------------	---------

Kelley's Corner:

Geraldine Hawkins

Potter:

Mae Geddes

Smith Meeting House:

Richard Hanson	Carl Stockbridge

Teachers

The school year began in September with two changes in the teaching force. Mr. Philip Brown, a graduate of Keene Normal School, replaced Miss Marjorie Stearns at Jones' Mills. Mrs. Althea Fulton French was transferred from the Kelley's Corner school to the Sanborn School, succeeding Miss Mary S. Marsh. The position at Kelley's Corner was filled by the appointment of Miss Alma Lakeman, a graduate of Plymouth Normal School. Both Mr. Brown and Miss Lakeman were without experience but are proving very acceptable teachers.

The following table shows the present assignment of teachers, salaries, and enrollment in each school.

Teacher	School	Salary	Enroll- ment
Dorothea R. Ward	Corner	\$900	29
Philip W. Brown	Jones' Mills	650	13
Alma L. Lakeman	Kelley's Corner	650	12
Helene Blodgett	Potter	700	13
Beatrice V. Eastman	Iron Works	900	34
Althea F. French	Sanborn	765	13
Olive L. Ames	Smith Meeting House	700	15
Total		\$5,265	129

The total enrollment one year ago was 129.

Finances

Your attention is called to the financial report of the school board which gives in detail the expenditures for school purposes for the year ending June 30, 1933. The total cost of maintaining the schools was about \$1200 less than the year previous.

Your attention is also called to the budget for next year as presented by the school board. The total amount asked to be raised is \$6,850.99. This is an increase of about \$500 over the amount raised one year ago. This

increase is due to larger expenditure for high school tuition and to the purchase of a new furnace for the Academy building.

We may expect to receive next year as state aid \$3,820.27. In order to qualify for this not less than \$4,508.91 must be raised for elementary schools alone.

Conclusion

I found the Gilmanton schools in excellent condition with a fine group of teachers in charge. The school buildings on the whole are in good condition and have been well cared for. All this means that you have been fortunate in your school board and in your former superintendent, Mr. Badger.

In a former report I stated that there is no better way for the parent to find out just what we are trying to do in the schools than to visit school and to visit often. Do not wait for some special invitation or some special occasion, or for some misunderstanding to arise. The school to be a success must have the co-operation of the home. Teachers and parents are all at work on the same problem, the training of these boys and girls, and they need each other's help and sympathy.

I wish to thank the school board, the teachers, and all others, especially the children, for their assistance to me in my work.

Respectfully submitted,
CHANNING T. SANBORN,
Superintendent of Schools.
